

An aerial photograph of a modern cable-stayed bridge spanning a wide river. The bridge has two decks, each with three lanes of traffic. The towers are white and have a unique, curved, upward-sloping design. A single-deck bridge is visible above it. In the river below, a long cargo barge is moving from right to left, leaving a wake. The surrounding landscape consists of green fields and some trees.

A photograph of a man with a beard and short hair, wearing a red and black zip-up jacket over a dark shirt, standing on a stone bridge. He has his arms wide open and is smiling. The background is a vast, hilly landscape under a cloudy sky.
